FIREWARD'S REPORT

We are pleased to report no serious fires for the past year.

Two general alarms were sounded for brush fires: One for a fire at the Rantilla farm in Bowkerville, one for a fire at the Koivunen farm in the west part of town.

In both cases the town was reimbursed by parties responsible for each fire.

We have had very few chimney fires this year.

Five hundred feet of 2½ in. hose was purchased for the Village department.

This department is in a very good condition with a motor driver's apparatus, with portable pump and good supply of hose, pails, shovels, and extinguishers.

A committee appointed by the Moderator purchased a Stewart truck for the Depot department, and the chemical tanks and body were transferred from the old truck to the new truck by Fireward Oscar Yon.

We would recommend that this department be put in first class condition with new pump, Booster tank, hose and new body.

We recommend that $1,800.00 be used for this purpose.

Respectfully submitted,
CLARENCE M. DAMON, Chief,
HARRY E. FLAGG, Clerk,
OSCAR G. YON,
Firewards.

Feb. 8, 1937.

Having examined the above report of the Treasurer of the Town Library, I find the same correctly cast and properly vouched.

JOHN S. BLAIR,
Auditor.

This year we have remodeled one of the rooms in the back part of the library, for a small museum. The exhibits from Hawaii, Bulgaria and Turkey, given us by the Edwin Locke heirs, have attracted much interest. A complete set of 100 bound volumes of the Atlantic Monthly magazine from 1854-1907 has been given us to add to the cases of interesting old books in this room.

The gift, of a set of shelves for the children's room, has greatly improved that part of the Library.

Many helpful district library meetings have been attended by the librarian and some of the trustees.

The circulation, of books this year, shows a slight increase, while the magazine circulation has nearly doubled.

MAYE B. SAUNDERS,
Librarian.

THE REPORT OF THE FITZWILLIAM DISTRICT NURSING ASSOCIATION

From February 1st, 1936 to February 1st, 1937

Visits by the nurse include the following items: Obstetric cases, 21; Postpartum care, 31; New Born, 31; Non-communicable diseases, 193; Antepartum care, 22; Pre-school, 194; Adult, 187; Social Service, 227; School visits, 89; Communicable diseases, 2; Infant, 96; School Children, 194; total, 1.233.

At the annual physical examination given by Dr. Emerson, assisted by the nurse, 124 children were on the school census. Defects found among the children are as follows: Diseased tonsils, 20; Adenoids, 20; defective vision, 6; 10% Underweight, 14; Anaemia, 4; Valvular Heart, 2; Poor Posture, 5; Enlarged Glands, 2; Tongue-tied, 1; Thyroid, 1. All have been vaccinated. Children excluded from school, Pediculosis, 1; Scabies, 6; Scarlet Fever, 1; Measles, 3.

During the summer, three clinics were held at the Elliot Community Hospital, Keene, where 19 children had tonsils and adenoids removed.

Twelve children have been taken to have their eyes examined, six of whom were fitted to glasses. Since the annual physical examination, this autumn, four others have had defective vision corrected by glasses.

Three clinics have been held during the year for babies and pre-school children. The purpose of these clinics is for parents to have a physical examination for each child. Toxoid serum, and vaccination may be had gratis. As in previous years, Dr. Emerson has given freely of his time and services, as well as all materials used. It cannot be stressed strongly

enough, that mothers should avail themselves of this opportunity for guidance for the baby, and to have the pre-school child physically fit for school. These children are our future citizens.

Miss Butland, as in previous years, has continued her work of making and giving several layettes to the Nursing Association.

Mr. Samuel Simonds, a former resident of Fitzwilliam, has again this year remembered the shut-ins with fruit. He has also sent crates of fruit for the school children. Mr. Simonds, always a friend of the children, has contributed to the fund for buying the school radios, and to the playground equipment project.

At the time this report is being written, a Dental Clinic is about to be put into operation, conducted as last year. All children are to be transported to Keene, N. H., to the offices of Dr. Conboy and Dr. Barnard. Each child upon the payment of $1.00, is entitled to have all necessary dental work completed, the balance to be paid with the remainder of the fund created through the generosity of the Town Fair Association.

I wish to thank each and every one for their splendid support and co-operation both to the nurse and to the Nursing Association. It is through this continued support that more work can be accomplished. Especially, do I thank the School Board, Dr. Emerson, teachers in the schools, and the officers and members of the Nursing Association.

MARGUERITE E. DAVIS, R. N.,
District Nurse.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Fitzwilliam:

State Line. Grades I-VIII,	2	1	3	4	0	1	4	4	
Totals,	13	12	12	11	9	17	13	17	3

These promotions were made on the following points: Regularity of attendance, term rank, standard tests and examinations given by the teachers.

Metropolitan Achievement Tests were given; one at mid-year and one in June.

The Otis Standard Graduation examination for elementary schools was given to the eighth grade.

The results attained in respective grades in above mentioned tests confirmed the graduation of the pupils as normal. These tests are helpful to the teachers not only giving a comparison in the gradation of their pupils with the gradation of

a large number of pupils selected from a large area of our country but also point out the strong and weak points of individual pupils, thus suggesting a basis for remedial school work.

ORGANIZATION FOR YEAR 1936-1937

School	Teacher	Enrollment
High School, Grade IX,	William Properzio,	13
Junior High,	Dorothy Morgan,	25
Village, Grades IV-VI,	Beatrice Pelletier,	14

Columbian, Grades I-III,	Mrs. Pia M. Lawrence,	21
State Line, Grades I-VIII,	Mrs. Mildred S. Smith,	17

There were two changes in the teaching staff during the present year. Miss Kimball being unable to take her school, Miss Edith Cushing, a graduate of Keene Normal, was assigned to the position. Miss Cushing is accomplishing good results and gives promise for a successful year. Miss MacDonald having resigned at the Columbian school, Mrs. Pia M. Lawrence, a former teacher in this school, was assigned to Grades I-III. Mrs. Lawrence is doing effective work in this school. The school conditions have improved to a marked degree in this school during the present year.

At the time of writing, all the schools are well organized and doing normal school work.

STATE LINE GRADUATION

On the afternoon of June 15, graduation exercises were held at the State Line School, consisting of drills, songs, declamations, dialogues and essays. The exercises did credit to the pupils and teacher and were listened to by a large number of parents and friends.

Diplomas were awarded to the following pupils: Lillian Eleanor Anderson, Ruth N. Chase, Angelo Cieslak, Harold C. Patria.

REPORT OF THE SUPERVISOR OF MUSIC

It is my belief that children must first be taught to appreciate and love good music, both in hearing and singing it, and then the study of theory may be undertaken as a means of greater participation. The program of rhythmic drill and simple dance steps started in the first grade and continued through the six grades, is a source of pleasure to the pupils and has a strong relationship to the appreciation of music and to theoretical time study.

The chief aim in the first grade is the elimination of non-singers of which there are from 75% to 100% at the opening of the school year. In Grade II and III theoretical study is begun with great satisfaction to the pupils who find themselves able to read their own very easy songs. In Grades IV-VI the several branches of music study have a very definite and concentrated outline for great accomplishment. During this period there is much study of two-part singing, early American dances, composers and instruments of the orchestra.

One of the most interesting problems is presented in junior High School—that of the changing boy voice. In September each pupil has an individual voice test and to the boy this is

an advantage as he may know the condition and placement of his own voice and what to do about it. Additional voice tests are arranged at other times when wise. It is most gratifying, through this procedure coupled with vigilance and patience in chorus practises, to see many boys gaining confidence in their ability to contribute to the chorus. The Junior High Chorus is larger and better balanced at the present time than in recent years.

In the spring of 1936 pupils of the Depot and Village Schools raised money to purchase radios for the two buildings, enabling them to enter the 1936-37 N. B. C. Music Appreciation Course conducted by Mr. Walter Damrosch. Beginning with Grade IV each pupil has his own note or work book printed by N. B. C. and purchased by the School Board. Grades IV-VI listen to Series A concerts and Junior High to Series B and all groups are intensely interested in the programs. They are gaining an understanding of the many phases of the appreciation of music, which is gratifying. The State Line pupils are hoping to use the proceeds of the 1936 Christmas operetta toward a radio. At present they carry on a Music Appreciation Course with Note or Scrap Books which they make themselves.

I wish to express gratitude to the Superintendent, School Board and teachers for cooperation.

Respectfully submitted,
MILDRED H. WHITCOMB.
